Yard duty

A yard duty roster showing designated areas is used for supervision of the school yard before school, during school breaks and after school. This information can be found in the College Yard Duty procedures and also in the yard duty folders.

Staff all have a hi-vis vest that should be worn on yard duty and must collect the appropriate yard duty folder from the office prior to recess or the first half of lunch duty.

Teachers who have yard duty on the oval need to take with them a kit containing basic first aid items and a school phone. These are collected from the office.

Students who remain in the school grounds after this time will be taken to the school office to await collection by their parents. If the parents do not come to collect their children within 45 minutes a phone call will be made to the parents or the emergency contact if the parents cannot be contacted.

The school is committed to ensuring student safety however parental co-operation is essential to managing safety issues immediately before and immediately after school.

As applicable, school activities (such as sport or band practice) arranged before or after school, will have appropriate supervision in place for attending students depending on the time and location of the activity.

Parents will be informed of the school's supervision arrangements and made aware that students who attend school outside established supervision times may not be supervised and may not receive the care that is normal during the school day.
